

# Southminster Presbyterian Church Worship and Music Committee Charter

---

## **Committee Purpose/Mission**

Provide high quality unique Celebrations of Worship that stimulate the desire of the congregation to communicate with God through Jesus Christ, to facilitate that communication, and to encourage those without a church affiliation to make a commitment to Jesus Christ.

## **Committee Leadership and Membership**

**Leader:** A member of SPC who is nominated by the serving Ruling Elders assigned to the Worship and Music Committee and ratified by Session. That person may be (but not necessarily) an active ruling elder.
